WELCOME NEW PHYSICAL THERAPIST July, 2009

ISR Physical Therapy is proud to welcome the newest member of their team at their Houma facility. Hunter J. Gray PT, DPT is a native of schriever Louisiana. He graduated from Louisiana State University in May 2005 with a Bachelor's Degree in Biology and a minor in Chemistry. He then went on to obtain his Doctorate degree in Physical Therapy from Louisiana State University in Health Sciences Center in New Orleans, Louisiana in May of 2009.

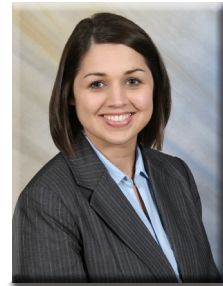

Hunter is excited about moving back to the town where he grew up in and being able to work with patients from his home community and surrounding areas. He also looks forward to the career ahead of him as a physical therapist and is excited about the opportunity to put his knowledge and skills to use at ISR Physical Therapy.

ISR is happy to add Hunter to their team and they know that he will share the same passion as their current therapists have for helping patients to feel better, healthier, and strong again.
